**First Southwest Bank Donates Equipment to Pagosa Innovation Center**  
*First Southwest Bank donates screens to new coworking space*

ALAMOSA, COLO., (Aug 10, 2020) — First Southwest Bank (FSWB) proudly announced their donation of six computer screens to the newly opened Pagosa Innovation Center in Pagosa Springs.

“First Southwest Bank has been supportive of our initiative since the first conversation,” said Royce King, Pagosa Innovation Center Board Member. “They are truly a champion of local businesses and do so much to support them. I'm excited they thought of Pagosa Innovation Center as a worthy recipient of flat screen monitors, as this will enhance the flexible workspace options, we are able to offer to our members. Pagosa Innovation Center is pleased to have a champion like First Southwest Bank, not only supporting our initiative, but supporting all local businesses.”

The Pagosa Innovation Center coworking space will offer high speed WiFi, a conference room, hotdesks, and designated offices at their location on 189 Talisman Drive, Unit C. For more information, please visit <https://www.pagosainnovationcenter.com/>.
